

1.

a. Atong ipa load diri ang mga website nga specific sya sa country...wala nag load ang akooa gipang add nga site kay bura ang filter ani sa database is "local", e load lang nato tanan site diri nga ang default country is United state, see below pic.

b.

b.

Adding Weblist

When adding the citation price for generic and niche will not be updated to prevent old or new price conflict. That's why after successfully adding, edit the generic, niche price and overall price total.

Global Location

Generic Citations		
Checkbox	Citation Site	Authority
<input checked="" type="checkbox"/>	firma-24.de	31

Total Generic: \$0

Local/Niche Citations		
Checkbox	Citation Site	Authority

Total Local/Niche: \$0

Total : \$0

Close Submit

Same sa admin side wala japon mogawas, same japon ato procedure ani sa client side, load by country ang local/niche...add filter by country, order by domain authority, high DA first.

a. Kani nga past sa admin, kung pwedi add ta field diri ug **email** and **password** sa ato client kay importante kaayo ni if kita ra ipa work sa iya request, example, mag add sya citation pero kita pabuhat, need nato e order for documentation pud so dapat makita nato iya account. Visible dapat nato iyang password.
